

# Buffalo Hart Presbyterian Church

Buffalo Hart, IL 62561

Leaving Springfield, IL proceed northeast on US Route 54 passing through Bissel, Spaulding, Barclay and arrive in Buffalo Hart.

This is a very small village with only one road intersection, it is at the side of a grain elevator.

At that point you turn north and cross a railroad and proceed north approximately one block and find the church on your right or east side of the road.

If you pass Cornland IL on Route 54, you missed it and will have to turn back toward Springfield.
