

Making Disciples!

Reaching Out to People in Our Community

Saturday, March 3, 2012

8:00am to 3:30pm

Location

Quincy Presbyterian Church
255 South 36th Street, Quincy, IL 62301

We cannot become a healthy church unless we are making disciples! How do we make disciples? We equip and release people to share their faith and serve others!

This event led by Ray Jones will help you to identify your gifts and talents to reach out to people in your community! "One of the things I've learned in my ministry is that if we don't start with our first love, then you will never live into God's dream for the church." Ray Jones

We will examine

- a deeper understanding of our relationship with God
- what discipleship is all about
- how to talk to the people we are wanting to reach
- what it means to be a church in a radically changing culture
