

MISSION

Much of the mission money of the Presbytery is distributed by our congregations to missions and ministries which they also support both with their dollars and their in kind contributions. This money is allocated by the Visioning Council and it will be done four times each year in conjunction with presbytery meetings. The forms for these Mission Initiative Grants are on the presbytery's website on the [MISSION](#) page:

- [*MISSION INITIATIVE FUNDING APPLICATION*](#)
- [*2010 CHURCH-WIDE MISSION PLEDGE FORM*](#)

Priority will be given, as the name suggests, to new ministries and missions identified by congregations as ways to reach out in new ways to their communities. Applications will be received and acted on throughout the year. Questions can be directed to the Rev. Dick Johnson or other members of the Visioning Council.
