

**Presbyterians join
Living Lands and Waters
for Mississippi River Cleanup**

**Make it a weekend or a day trip!
Youth and Adults working together!**

Living Lands & Waters will be hosting a river cleanup in the Gulfport, IL/Burlington, IA area on **August 29, 2009**. The Biggsville United Presbyterian Church (UPC) will host volunteers who wish to come the night before (8/28) and/or stay the night after clean up (8/29).

This is a great opportunity for youth, young adults and adults. Living Lands and Waters will take volunteers by boat to the clean up location, supply life jackets, gloves, garbage bags and a safety overview. After a few hours, volunteers are returned to the original meeting site. Volunteers wishing to stay the evening of the 29th will have the opportunity to help in a community garden and/or swim in a neighboring pool.

**Our volunteer goal (and limit) is 30.
Registration deadline - August 1, 2009**

For more information and to register, contact: Kathy Casey, PGR Mission Trip Coordinator at caseykj925@yahoo.com or 309 745-3755

Please Note:

- Illinois River Cleanup dates are being planned for June - July. Email (above) to get information when available.
- Minimum age is 12 years old. See registration information for more details.
- The cleanup will happen rain or shine. Trips will be canceled for lightening, strong winds, or flooding.
