

The "Alphabet"...it fits agriculture to the letter.

Presbytery of Great Rivers!

I am writing to thank you for the donation you gave to fund our Church Vacation Bible School. It was held last week with about 80 children attending each night. Our Church is in the country surrounded on 3 sides by corn fields, so it was very hot but I never heard any child complain.

I was in charge of the suppers each evening - my crew fixed 125 sacks with a sandwich, chips, cookies & a drink for each child and helpers. One child was offered his choice of a ham sandwich or a peanut butter sandwich. He said "I'll take the peanut butter - I don't know what a ham sandwich is."

At the program Friday evening the Church was full. Chairs ^{were} set up in the back and people were standing in the aisle.

I believe we made a difference!
Thank you!
