What are some key theological issues that shape your ministry?

**Key theological issues that shape my ministry include: Our Creator-God is the source of all that is. I believe God made the world and life in it good. In my life and death, I belong to God and God is continuously reaching out to us by making new beginnings, opening up new possibilities and initiating new events.**

**I believe God is alive and acting in the world. As Christians, I believe our hope is in Jesus, and we are called and empowered by the Holy Spirit to be forgiving, faithful, inclusive, and to act both individually and corporately to be instruments of hope, compassion, healing and growth.**
