Please briefly describe your style of preaching.  
I preach from the Lectionary and usually cover the topic in the scripture from the New Testament and apply it to our life today. I use humor, insight, hopefulness and the promise of God's Kingdom that is available to all who repent and follow His ways.

What are some key theological issues that shape your ministry?  
The Bible teaches us to live a life like Jesus. How that applies to our daily living is the major theological issue we all face. I believe that all of us fall short of the goals which are given to us by God. We are all sinners and Jesus will lead us to eternal life with the Father. The issues our world faces today are not that different from biblical times. It is up to all of us to carry Christ's message into the world to bring about justice and God's peace.
