Please briefly describe your style of preaching.
I usually take my text from one of the scriptures in the lectionary and tell it like a story. In my preaching class the author of our text said we tell it "like a movie" and I try to do so with illustrations that can provide a visual image.

What are some key theological issues that shape your ministry?
I am a child of God and owe him my faith and allegiance. Christ came to us fully human and fully God. I believe in the Holy Trinity. Christ died to reconcile us with God. We have received his grace as a gift, not because we earned it. The Bible is the inspired word of God, given to us to understand the covenants God has made with his people both in the Old and the new testaments.
