All or any part

Please briefly describe your style of preaching.
I usually use the Lectionary. I have my sermons typed out, which I refer to, but I do not read it. Quite often I will ad-lib, as the Spirit leads me. I believe I am a deliberate informal speaker, not a fire & brimstone.

What are some key theological issues that shape your ministry?
I believe in the Trinity - God the Father, God the Son, and the Holy Spirit. He created all things and because He loves all, He continues to care for everything and everyone.
The Creeds are very important to me. Stating and reaffirming those beliefs is expressing our love for God and the Church.
We are a church reformed, and we are continually changing.
Jesus taught us all (not just a chosen few) to be disciples and minister to others.
In doing this, we are able to assist in guiding personal and spiritual transformation.
