Please briefly describe your style of preaching.  
My style of preaching seeks to be engaging, relevant, and authentic. While I am still discerning my style as I finish seminary, I seek to stay true and close to the biblical text. I also enjoy using the narrative style in my sermons.

What are some key theological issues that shape your ministry?  
Key theological issues in my ministry include missiology in a traditional context, spiritual formation centered around a relationship with Jesus Christ especially of children and youth, as well as being an advocate for hospitable, inclusive, and intergenerational worship practices.
