ASSOCIATE STATED CLERK'S REPORT

Since our previous meeting I have assisted the Presbytery with 2 areas of responsibility.

Part of my responsibility is to lead the Session Records Reviews and to train and assist our Clerks of Session. Two of the four (4) opportunities have taken place. I appreciate the hospitality provided by United Presbyterian of Peoria and of First Presbyterian in Springfield.

Two more opportunities remain:

- 9:30 AM to Noon - Macomb on August 14th
- 9:30 AM to Noon - Woodhull on September 18th

I have a fond respect for the Clerks of Session. Many have served several terms. I would like to honor one in particular. Since 1972 Helen Diegel has served as Clerk Of Session at our Pekin Church.

I also served as clerk and parliamentarian at the specially called meeting of the Presbytery of Great Rivers held June 30th, 2010 at the First Federated Church in Peoria,IL.

Please help make my responsibility easier by seeing that Clerks of Session respond to one of our Records Review sessions. Thank you for your cooperation.

For the Work of our Lord and the Presbytery,

*Rev. Warren **Gene** Campbell*
