

Presbytery of Great Rivers  
**Application for Hopedale United Presbyterian Church**  
**Vacation Bible School Funds**  
**Amended November 2010**

In February, 2010, the United Presbyterian Church of Hopedale, Illinois, closed its doors after many decades of faithful service, mission and worship. It so happens that the first Vacation Bible School ever held was sponsored, in part, by this congregation. The trustees of the Presbytery of Great Rivers decided to use the remaining assets of the congregation to help fund Vacation Bible Schools sponsored by PCUSA congregations within the bounds of the presbytery.

These funds are available at a rate of up to \$500 per year per congregation. The funds will be used until they are gone and will be administered by the Visioning Council of the presbytery.
