

PGR Nominating Committee Report, April 20, 2024

The full Nominating Committee (NC) met via Zoom on these dates since our last assembly meeting: March 15, 2024. The committee and co-chairs also communicated regularly via email, phone, and text as we completed the work before us.

Thank you to all the congregations for sending the Eligible Elder form. We have received forms from sixteen congregations. This will help us in our work in 2024.

In 2023, we organized the congregations of the presbytery into contact lists for the purpose of helping to increase communication. We have updated our records; you can see that included in our report.

Our next meeting will be held April 22, 2024 at 10 AM. At this meeting we are hopeful to have a discussion with the committee chairs about what is needed by each committee before we begin our calls for 2024.

Thank you to all those who have volunteered to serve. If you are interested in serving on a committee of the presbytery, please let us know.

The Nominating Committee

The Nominating Committee conducted an email vote on April 16, 2024, per a request from the Illinois Presbyterian Home. The Executive Committee of the Board of the Illinois Presbyterian Home presented to PGR the name of Blake Roderick, a member of Third Presbyterian Church of Springfield, to serve on the board of IPH, representing PGR. As per IPH bylaws, PGR must then take action to elect him to serve in that capacity.

Motion:

The Nominating Committee proposes that Blake Roderick be nominated to the class of 2026 of the Board of Directors for the Illinois Presbyterian Home.
