Report of the Bridge Presbyter
Presbytery of Great Rivers
August 18, 2026

Though I did not expect to return as your Bridge Presbyter after my last tenure with you, I am glad to have the opportunity again and to renew acquaintances and friendships. And this time, to participate in the implementation of your new structure. Mostly, I have observed as capable volunteers have engaged this new structure – fulfilling that ordination question: with intelligence, energy, imagination and love. It is a privilege to serve with them.

I don't know how long I will be with you, but I do not anticipate it being very long and this may be my only Assembly meeting with you. In any case, for the time I am with you, it is a privilege to be a partner in your ministry and working with so many great servants of Christ and his Church.

Peace and Blessings be with you all.
